Bobbitt on His Lebanon Speech.

LEBANON, Sept. 19th.—I spoke to-day at the Chautauqua, the first sentence evoking such tremendous applause by clapping of hands that it put the dogs to barking. I cried out in well feigned alarm: "Don't set the dogs on me yet." This started them again. I spoke an hour and with the ocean of history before me I had to desist. Fine crowd to-day. Even the venerable Gov. Knott came on the platform while I was speaking. I spoke to him and thanked him for the brilliant interruption. This way of having no prepared speech is the finest thing in the world. Although my speech was much applauded, I don't think every one liked it. I commenced too far back in South-eastern antiquity and stayed too far South to suit ultra Northern men. I quoted some beautiful poetry about the Confederate soldier and said Judge Sautley would have quoted that had he been here. It was loudly applauded.

This is a great city, a fine country, a noble people, beautiful women. I think I shall attend court here. I have one case to start on. Quite dry down here. Corn not as good as in Lincoln. Three fine papers published here, The Falcon, Enterprise and News-Leader. Some magnificent residences here. The New Bobbitt Hotel is one of the very best in the State. Hons. J. W. Brown, S. C. Franklin, J. A. Landram, A. H. Hamlin, S. E. Chandler, J. H. Coffey, J. M. Norton and others are registered here and after I closed my speech and the applause subsided, they arose and left the building in a body, showing for what purpose they came. Hurrah for old Rockcastle!

With many tears of regret, heart-felt but unshed, I shall leave here to-morrow with melancholy step and slow. This is a glorious place. Should like to live here or take Lebanon home with me. All invitations to speak on any subject accompanied by a \$20 bill, will be accepted. Sorry I can't tell all I know in one speech. Should like to speak for one or both parties at \$50 a speech. Yours in good health and fine spirits. FOUNTAINE FOX BOBBITT.

Lincoln County Man Sight Seeing in the Northwest.

BOZEMAN, MONT., Sept. 14.—We started from Junction City, Ky., Thursday a week ago. We came through Cincinnati, Indianapolis and to St. Louis. There we came over the Burlington Route to Lincoln, Neb.; from Lincoln to Billings, Mont., and from Billings to Bozeman. We landed in Bozeman Sunday morning and our son, Theo. Hays, met us. We had a fine trip all through and enjoyed ourselves fine, but felt somewhat tired. We like the looks of Gallatin Valley very much. We found our son's family all well and enjoying life. We have met all our old Kentucky friends and they all seem to be up and going. Wheat threshing is the order of the day and the fall wheat is making from 40 to 50 bushels to the acre. My wife and little son, Elmore, and self, will, through the kindness of the Butte Stardart Mining Co., run over the valley this week in their fine automobile and look at the country. We like this country much better than we thought we would. We are having fine weather here for this time of year and everybody is making good time getting their grain on the market. You can see strings of wagons loaded with grain for the elevators. Prices are good; wheat bringing from 70 to 90 cts. per bushel; oats \$1.25 per 100 pounds. We want to go up in the Rocky Mountains before returning to Kentucky, and see where the bear and deer live. Two bears were killed there last week. But don't think I am going without a gun and a good one at that. JAMES C. HAYS.

How to get Strong.

P. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it's my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. THE Indianapolis Star, the organ of the Republican party in Indiana, in an editorial Saturday virtually concedes the loss of the Hoosier State to the Republicans. It lays the blame of the disruption to the party on the Fairbanks machine and Gov. Hanly. It enumerates briefly the causes for loss of the State, both for Governor and the national ticket.

ALL members of the executive and advisory committees of the republican National committee met with Chairman Hitchcock and gave their attention to some means of arousing enthusiasm in the campaign. It is needless, perhaps, to add that the meeting was barren of results. No means have yet been discovered whereby a dead body can be resuscitated.

HEARST, the originator of the Independent League, has stirred up a hornet's nest in the republican camp. His charge that Senator Foraker was working for the interests of the Standard Oil Co. is so well backed that it will likely cause that gentleman's elimination from the present campaign.

THE nominee of the New York convention is the present lieutenant governor and was elected in face of a big majority for Hughes for governor. The Democrats seem to have made no mistake in nominating him. He will beat Gov. Hughes anywhere from 50,000 to 100,000—we hope.

MR. WATTERSON says New York will go for Bryan and Kern from 50,000 to 100,000 and that Indiana is as sure to go democratic as Kentucky. This is good news, if it does come from a poor prophet. However, Mr. Watterson ought to be able to hit once in a life time of predictions.

THE State Fair was a success in all the word means. Probably 125,000 people witnessed the big show of stock, etc., during the week and all left more than satisfied with the way things were managed. As secretary, Senator J. W. Newman is certainly the right man.

THE hat pin is as handy a weapon for the woman as a razor is for a Negro. She has gotten in good work with it on many occasions and now it is told that Mrs. F. E. Jordan, of St. Louis, killed with a hatpin a rattlesnake that was about to strike her baby.

GOV. HUGHES has decided to make a flying trip through the West, making speeches in support of the republican National ticket in several of the principal cities, according to an official announcement made from republican National headquarters.

W. B. BURTON, a clever gentleman and a true-blue democrat, has announced for the democratic nomination for Representative of Garrard. We would like to see him win.

Senator Albert J. Beveridge, of Indiana, will start the campaign ball rolling for the republicans in New York City, speaking in Carnegie Hall on Friday night.

POLITICAL.

Republicans of Montana nominated Edward Donlan, of Missoula, for governor.

The Georgia Legislature adjourned Saturday after passing a compromise bill on the convict lease question.

John W. Kern, the Democratic vice presidential candidate, will open the Democratic campaign in Mansfield, O., on Saturday.

"Nick" Longworth rises to ask who John W. Kern is, but who is "Nick" except the husband of Alice Roosevelt?—Somerset Times.

The following postmasters have been appointed: Lorens, Pulaski county, Perry M. Rainwater; Norwood, Pulaski county, James W. Wilson.

Anderson county democrats will hold a primary Nov. 7 to nominate county officials. A resolution was passed forbidding the use of whisky, money, etc., in the election.

The Republicans lost 4 per cent. in the vote in Maine, while the Democrats gained 33 per cent. Figure such a gain all over the United States and the G. O. P. would be nowhere.

The special session of the Indiana Legislature has convened. Gov. Hanly read the call, in which he laid particular stress on the county local option bill. The Republican members of the Legislature held a caucus, but failed to accomplish much in the way of a programme for the passage of the unit measure.

New York tendered W. J. Bryan a reception such that it has hardly ever given to any public man. Carnegie Hall, where he spoke, was jammed to its capacity and the candidate addressed a crowd of 10,000, who could not get in the hall. The ovation tendered Mr. Bryan was a brilliant climax to a day in which a united party paid him a continuous reception.

Gov. C. N. Haskell, of Oklahoma, in a speech at Logansport, Ind., Saturday denied the charge of W. R. Hearst. In his address he said there were "two classes of men—honest men and liars," and that he did not place Mr. Hearst in the former class. Mr. Hearst, who spoke that night in Memphis, declared that he did not make the charges personally, but read from court records.

Two men have declined the position of chief deputy in the office of the clerk of the Court of Appeals, and Napier Adams, clerk, says that the next man appointed will be at work before any announcement of his appointment is made. The position is a good one, but Mr. Adams is trying to find a man who is capable and competent, and it is hard to find such a man who is willing to give up his present position and accept the office. William O'Connell, who now holds the position, is thoroughly competent, but he is a Democrat, and Mr. Adams wants a Republican to have the place.

Senator J. B. Foraker has written a letter to Judge Taft, announcing that he will not attend the Republican rally in Cincinnati to-day, where he had been scheduled to deliver an address introducing the presidential nominee. It is now practically certain that Foraker will be eliminated from both the State and National Republican campaign. Senator Foraker issued another statement in reply to the charges made by W. R. Hearst in his St. Louis speech. He says the draft for \$50,000 was sent as a loan in a contemplated newspaper deal by friends of Foraker. The deal afterward fell through, he says, and the draft was returned.

Virgil Martin, son of R. S. Martin, the tobaccoist, and Miss Burdette Owens, only daughter of Granville Owens, went to Louisville Friday morning and were made husband and wife. We extend congratulations to them.

Mrs. Clall Smith, whose husband was killed from ambush several days ago, has caused the arrest of Will and Sam Wiggins and Andy Crank, all cousins of Smith, as being implicated in the murder. They were placed in jail Friday. Sunday Attorney C. C. Williams and others from Mt. Vernon, were here going over the ground where Smith was killed and gleaming such evidence as they could.

The Rockcastle County Teachers' Institute held here last week, was a very interesting affair. Prof. Eubanks, of Clark county, was instructor and did the work well. Prof. Colfee, of Berea, was here all week. Rev. A. J. Sayers, of Pineville, was also present. The entertainments during the week were well attended and a success financially. The teachers gave an entertainment Thursday night, which was very enjoyable.

It was moved by Justice W. M. Dudderar and seconded by Justice James McKechnie that the following action be taken by this court: That the election of Lincoln county, Ky., as its February term 1909, of the Lincoln circuit court, having recommended a new court house for Lincoln county, and it appearing to the satisfaction of this court that the court house now in use is unsafe and inadequate for the public convenience and the promptness of the trial of cases, it is ordered and adjudged that the sum of Thirty-five thousand dollars, be suggested as the sum necessary to build a new court house, and it is further ordered an election be held, and a poll opened at the several voting precincts in Lincoln county on Tuesday November 3, 1908, the day of the next general election, at which the election of the legal voters of Lincoln county for their approval or rejection. The Sheriff of Lincoln county is directed to advertise said election for at least thirty (30) days next before the day thereof in the FISCAL COURT JOURNAL, newspaper being the only news paper published in Lincoln county, and the officers of said election are directed to hold the election between the same hours that they are required to hold elections for county officers, said election shall be held and conducted in all respects as required by the general election laws in force in this State, at the time the same is held.

In the event that the requisite number of legal voters of Lincoln county vote in favor of said appropriation, the clerk of said court shall cause the bonds of Lincoln county to be prepared, executed and issued on the said day of election, and the same shall be signed by the presiding Judge of the Lincoln county court, and counter signed by the clerk of said court, payable to bearer at Lincoln County National Bank, of Stanford, Ky., which bonds shall not bear a greater rate of interest than four (4) per cent. payable semi-annually at Lincoln County National Bank, of Stanford, Ky., and interest coupons shall be attached to said bonds, and the same shall be countersigned by the clerk of the Lincoln county court, said bonds shall be issued in three (3) series to wit: Series "A" Series "B" and Series "C". Cough Caution

Never, positively never poison your lungs. If you cough, from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—this late though—Congress says "Put it on the label. If poisons are in your Cough Mixture, 'Good! Very good!' Hereafter for this very reason—others, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's Cough Cure. The medicine, also, must be law be on the label. And it's not only safe, but it is said to be by those that know best, a truly remarkable cure for all coughs and colds, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

BADLY INJURED.—Seth Sexton, of Kingsville, employed as derrick engineer with a Q. & C. bridge crew, was badly scalded by the derrick car turning over near Robbins, Tenn. He was taken to the Somerset Hospital where he is being cared for.

MANNING.—Mrs. L. C. Manning died at her home near Turnersville at 3 o'clock Sunday morning after a protracted illness of a complication of troubles. The burial took place in Buffalo cemetery Sunday afternoon. Besides her husband, deceased leaves four sons, who are almost crushed by their great loss. Mrs. Manning had for years been a member of the Christian church. She was the mother of Jesse Manning, carrier on route No. 3.

THE concrete home of the Waynesburg Deposit Bank is nearing completion and Cashier Stanley McIntosh hopes to be doing business in it by Oct. 15. It is a splendid structure and contractors H. D. Phillips, of this place, and H. H. Singleton, of Waynesburg, are deserving of congratulation on their good work. The building will cost about \$2,500 and will be a model banking house. A picture of it will appear in these columns soon.

FOUND DEAD IN BED.—Mr. James Melvin, a well-known citizen of the Kriger section, was found dead in bed Sunday morning. He had been afflicted with heart disease for some time and it is supposed that that trouble caused his demise. He is survived by his wife, who was a niece of Augden Bridgewater, and one daughter. Mr. Melvin was a good citizen and a substantial farmer. He had been chosen as an officer for the coming election.

DR. T. W. PENNINGTON, of this place, is profoundly grateful to the good people of Somerset during his father's illness and death. He says they were untiring in their efforts to lend a helping hand. He is especially thankful to Dr. J. W. F. Parker, who had the body removed to his home and did other deeds of kindness, and to Supt. Caldwell, of the Q. & C., who had him taken from McKinney to his father's bedside as fast as a freight engine could run.

TOBACCO and corn knives at Geo. D. Hopper's.

THEY were here from all quarters to see Miller Bros' Wild West Show and all were repaid for coming.

MR. W. L. MCCARTY lost his watch and a roll of money yesterday but it was found by Ward Moore, of Crab Orchard, who of course promptly returned it to the owner.

YOUR attention is called to the display advertisement of the Charles Wheeler Emporium, Hustonville, which appears in these columns. Read it this issue and do likewise each subsequent issue and you will be well repaid.

FRITCHARD.—Mrs. James Fritchard died at the home of her daughter, Mrs. Cash M. Hiatt, in Rockcastle county, Saturday and the remains were taken to Danville, her late home, and interred yesterday. She was a relative of Al R. Wallace, of this place.

S. M. OWENS, of the McKinney section, will have a sale of his horses, cattle, etc., on October 21. There are some splendid horses to be disposed of, including his great standard-bred stallion, The Warfield, and a lot of trotting and saddle bred horses, from one to three years old. He will also sell a lot of fine jacks and jennets, the latter in foal. Powhatan, the good four-year-old stallion by Dignity Dare, will also go in this sale.

SHOOTING AFFRAY AT MORELAND.—At the Seventh Day Adventists' tent meeting at Moreland Saturday night a shooting occurred in which a half dozen persons were wounded, none of whom are dangerously hurt. From what we can gather, Jim Hughes and Steve Benedict, of Rowland, went to the tent, where services were being held, somewhat under the influence of whisky. They were talking loudly when Deputy Sheriff Ben Ferrill went to quiet them. A few words followed, when it is claimed that one of the boys fired twice at Ferrill, who was then unarmed. They drove off and were later arrested in Stanford and placed in jail, where they now are. Sam Rothwell, a West End and friend of the boys, took up the trouble and he and Ferrill exchanged several shots, the latter having secured a pistol by this time. A general shooting then took place and after the smoke of battle cleared away it was found that Ferrill was shot in the arm and breast, the latter a very slight wound. Rothwell was shot in the shoulder and thigh, Columbus Wheeler and a young Miss Coldiron each caught a bullet in the leg and a little boy was shot in the shoulder. It is an ugly affair and those responsible for the trouble should be made to pay dearly for it.

PENNINGTON.—Mr. Tim M. Pennington died at Somerset Friday from injuries received while driving down Wait's hill in that city, mention of which was made in our Friday's issue. The accident occurred Tuesday morning, when he received a fractured skull, and he never became conscious. The remains were brought to Stanford and laid beside those of his wife at 10:30 Saturday morning, after services by his pastor, Rev. J. L. Yandell, of the Presbyterian church. Mr. Pennington was one of the oldest and best known men in Lincoln county, having spent most of the of the 84 years of his life here. He was a devout member of the Presbyterian church and had been an elder some 12 or 14 years. He was a regular attendant at the services of his church and one of the hardest workers of that congregation. Six years ago Mr. Pennington buried his wife but five children and a sister-in-law, Miss Amanda Goggin, who has made the Pennington home her home for years, are left to mourn the loss of a kind and indulgent father and brother. The children are Mesdames A. S. Thomson, of Fayette, and P. E. Kemp, of Anniston, Ala., and Messrs. B. G. Pennington, of Danville, Ill., Ephraim Pennington, of Phoenix, Arizona, and Dr. T. W. Pennington, of this place. All of them with the exception of Mr. Ephraim Pennington were at the bedside when the end came. Although spared a father a long time, the children were not yet ready to give him up and their grief at his taking away is great indeed. May the good Lord comfort and strengthen them in their hour of trouble. Mr. Pennington was a well preserved man for his years. The writer saw him at Somerset, where he was visiting, two weeks ago and was impressed with his splendid appearance and the clearness of his mental faculties. In fact he looked quite as strong and erect as he did when he first met him over a quarter of a century ago. He was enjoying his visit to his relatives and friends when the fearful accident befell him and cut short a life which gave promise of many more years here. Deceased was a fine old Kentucky gentleman and we sorrow with the relatives and other friends that he is no more. Thoroughly prepared for the end, we are confident that he is now in the land where sorrows and troubles are unknown and where joy and gladness are eternal.

JOE T. EMBRY was shot in the left arm and side at the show last night. The wounds are not considered serious. Marshal Carter had under arrest a Gardner county man named Arnold and the officer's pistol discharged when Carter used persuasive powers on him. Arnold gave bond. Mr. E. is resting easy this morning.

THAT splendid democrat, Hon. W. Pres. Kimball, of Lexington, opened the campaign here yesterday with an excellent speech. Arrangements were made with the Miller Bros. to speak at the show grounds and over 5,000 people heard the Congressman from the Seventh district discuss the issues of the day in a most acceptable manner. He was introduced by Congressman Helm in a timely effort.

A GREAT SHOW.—Miller Bros' great Wild West Show has come and gone but it will not be forgotten for years. It is a great aggregation and one worthy of the liberal patronage it is receiving. The riding was superb, the shooting bordered on the remarkable, while the lassoing was beyond expectation. A crowd estimated at 6,000 or 7,000 witnessed the performance in the afternoon and liberally applauded the many good features. Mr. Zack T. Miller has entire charge of the big show and manages it to perfection. He appears a number of times in each performance on his \$5,000 Arabian stallion and is always well received. We are glad a good crowd attended the show here, as the Millers are of Lincoln county stock and exceedingly clever gentlemen. They are first cousins of Mr. W. A. Brooks, of Crab Orchard, who helped take up tickets here yesterday.

I desire to sell privately my splendid Blue Grass Farm of 260 acres, situated in the West End of Lincoln county, one mile North of McKinney. Farm lies on splendid pike as well as on the Q. & C. Railroad. Is 3 1/2 miles from Hustonville and 5 miles from Stanford, the county seat. Farm is well improved and has all necessary buildings. Splendidly fenced and an abundance of water. Convenient to schools and churches and especially convenient for traders and shippers. One of the best stock farms in Lincoln county. All of the land is productive and a machine can be run over every foot of it. About 100 acres in cultivation and the crop shows for itself. 90 acres are being prepared for wheat this fall. Reports from counties all over Kentucky show that the State is badly in need of rain. The drouth is general. The late corn crop has been cut about half in two and other crops have suffered in proportion. Drinking water is scarce in some localities and the dust is almost unbearable. Sparks from locomotives are destroying property adjacent to railroads. The ponds, wells and small streams have dried up and farmers are disposing of their stock at a sacrifice.

It's a pity when sick ones drug the stomach or stimulate the Heart and Kidneys. That is all wrong! A weak Stomach, means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping Stomach, Heart and Kidney ailments. The Restorative reaches out for the actual cause of these ailments—the failing "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by Penny's Drug Store.

Chief of Police Andrew Cobb, of Nicholasville, was shot and badly wounded while arresting a colored woman named Mary Lewis. He had her under arrest when John Snowball, a Negro man, came to the rescue. They pinioned the officer's arms, stabbing him in the back and side and shot him through the leg with his own gun.

A clever, popular Candy Cold Cure Tablet—called Preventics—is being dispensed by druggists everywhere. In a few hours, Preventics are said to break any cold—completely. There is one thing that can be said of the drouth. It gave the State Fair a chance to do its best without being handicapped by rain.—Frankfort Journal.

Passed Examination Successfully.

James Donahue, New Britain, Conn. writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Remedy. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Remedy cures backache and all forms of kidney and bladder trouble. New Stanford Drug Co.

A monument to the memory of William ("King") Solomon was dedicated at Lexington. The exercises were rather impressive. King Solomon is the hero of a novel written by the famous Kentucky author, James Lane Allen. The man actually existed and was a real, live hero during the cholera epidemic at Lexington in 1833. He died in that city in 1854.

TRUTH has one good friend left anyway, Time.

Time is the revealer of truth, as well as falsity, Time proves the truth and exposes the faults.

And you can ride down any country road in this country, or any village, town, or city street and see for yourself what Time has done to bring out the facts about paint. Over there you see a muddy, bleary-looking house—dull-eyed, as it were—low vitality, paint that is dying—dead, may be.

And there in a stone's-throw away, one that fairly gleams with the reflection of living light, bright, clear, with that brilliant sheen and radiance of gloss that tells you the story of what's in it just as truly as if you were looking into a mirror to see your own self.

Time has proven absolutely that Horse Shoe Brand House Paint, manufactured by the Mound City Paint and Color Company of St. Louis, is the truest paint manufactured in this country or any other country. It's the one paint that does what good paint ought to do, and so much more than you expect that any paint will do. This is because it is made of nothing but the highest quality white lead, zinc, and best aged linseed oil. One gallon goes twice over a surface as high as a six-footer and 50 feet long—and stays there at least three years and sometimes ten.

It pays to know what's good in paint. It pays to know where to get it. All we have to say is that we know absolutely that Horse Shoe Brand Paint is the straightest, highest quality, honest priced paint for honest work that we can get hold of. Made by the same house for twenty-six years. Sold on its merits; on its character.

Remember, too, the Mound City Paint & Color Company manufactures a complete line of the highest quality paint specialties—a Horse Shoe Brand paint for every use: Floor Paint, Barn and Roof Paint, To-Walk-On Stain, Screen Paint, Wagon and Implement Paint, etc., Grecian Enamel for the Bathroom, Iron Beds and the like.

And so we claim it pays to know that there's one paint store in this town where you can get good paint advice: and there's some color cards you ought to have, too, if you're going to paint—they're free—to you—here at the store—come and get them.
